Medications | The Vegan Society Concerns about medications were raised during the first meeting of the All-Party Parliamentary Group on Vegetarianism and Veganism, and discussions continue. Charities like Animal Free Research UK (formerly the Dr Hadwen Trust) are supporting the development of techniques and procedures to replace the use of non-human animals in biomedical research. Can You Take Prescription Medications and Still Call ... Clearly medication is not vegan. Even if you can find a pill that doesn't contain gelatine or lactose, your meds will have been tested on animals. Current legislation demands it. Vegan Medication - Vegan Nutritionista Not all doctors are going to be completely aware of what exact ingredients are in the medications they prescribe. But, you should definitely ask him/her. You could also bring a list of non-vegan ingredients that you are looking to avoid and ask the doctor for his/her help in finding a vegan medication that is suitable for you.

Am I ever tempted to "cheat" on being vegan? - Cadry's Kitchen Some people assume that being vegan is living with constant temptation, but nothing lives in a vacuum. Thoughts and ideas affect actions and experiences. With time I started experiencing things differently.
